They tell the truth touching those things tending to true, towering, triumphant, terfestrial trades. Tuttle, Futtle, Tuttle, Tuttle, Tuttle Bros., 149 Main St.

Main St.

Tuttle received a letter yesterday from a Denyer man who owns four nice modern new pressed brick 5-room cottages, with fine large lots, located and known as Nos. 948, 952, 937, 958 Lincoln Ave. (near Ninth South and Ninth East streets; a fine locality). He took them on mortgage and must sell at once. This letter reduces his prices from \$300 to \$500 on each house for cash and quick sales. These are ideal places. We want you to call and get particulars. We've got to sell them quick. It's your opportunity. We have property all over this city at all kinds of prices, both vacant and improved. Land level as a billiard table, or so rolling that 'twould make you seasick. Well, what's the use talking about it. We've got the largest list in the city, and it don't cost you a cent to learn all about our properties. We've got money for you to build with.
